COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer

Los Angeles, California 90012

At its meeting held April 13, 2004, the Board took the following action:

14

Supervisor Knabe made the following statement:

"In 1992, the United States Congress dedicated the second week of April as 'National Telecommunicators Week'. This year's recognition of these public safety professionals will be held April 11 through April 17, 2004.

"Throughout the County there are Public Response Dispatchers, Radio Dispatchers, 9-1-1 Call Takers, Dispatcher Training Specialists, and Communications Supervisors. These men and women provide a vital service to Federal, State, military, local law enforcement, fire departments and to the citizens of Los Angeles County. The public safety services they provide are innumerable and often go unrecognized. They are the lifeline that connects public safety agencies to the public they serve. They are the calm during the storm."

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Burke, unanimously carried (Supervisor Molina being absent), the Board declared April 11 through April 17, 2004, as "National Public Safety Telecommunicators Week" throughout Los Angeles County.
